120

different nationalities

London is ranked the best city in the world for university students

(QS Best Student Cities Ranking 2022)

#6

in the UK for teaching (The Times/The Sunday Times Good University Guide 2022)

![London Metropolitan University | ECA Education Centre of Australia]

Integrated Programmes

In Partnership with ECA

Education Centre of Australia is the service partner for the integrated programmes, and is involved in student recruitment, admissions and academic operations.

Integrated CAS

Students receive a single CAS covering them for the full duration of the pathway and main course.

The Full Student Experience

Students on integrated programmes have access to the full range of London Met services and facilities.

Refreshments and Relaxation

Our Fairtrade campuses have plenty of places for a breakfast pit stop, a hot lunch or a quick caffeine fix. At Aldgate you'll find a café housed inside our beautiful Atrium.

Specialist Facilities

The Science Centre at our Holloway campus is home to our Superlab, one of the largest and most advanced science teaching facilities in Europe.

Sports and Fitness

The University's fitness and recreation team runs an extensive programme of fitness classes with various exercise, holistic and recreational sports including salsa, pilates and boxfit.
